Life Choices - January & February 2020

Inside-Out-Reach

We could not do what we do without our volunteers! Our volunteer spotlight for this newsletter focuses on a group that truly embodies the walk that Christians are called to--being Jesus' hands and feet to those around them. The team from Burnett Avenue Missionary Baptist Church has faithfully volunteered

at BsideU For Life for a few years, bringing groups of around 6 to 12 people, including men, women and teenagers, each time joyfully laughing and encouraging clients and staff alike!

The team asks about current needs, and steps up to fulfill them. Whether it's providing for the physical needs of babies, or books and toys for our clients' children, participating in our annual Baby Bottle Campaign, or bringing and serving lunch quarterly. They are such a blessing to us and the women and families we serve.

This past Thanksgiving, they brought in a feast (this isn't just food, it's soul-shaking, good food!), preparing it for our clients and staff, and serving us all. 25 church team members came to serve over the course of the day, and they left no detail unnoticed, down to decorating our dining area to make it festive. They blessed our clients additionally by sitting with them, playing with the children, and spreading the joy that's always present when they visit. We're so thankful that they've already signed up to serve again for Thanksgiving this year! If you'd like to volunteer individually, or as a group, click the link below.

RTL KY Celebrates 50th Anniversary

January marked the solemn 47th anniversary of Roe vs. Wade, and many faithfully observed the occasion by attending the March for Life in Washington D.C., or attending local and state rallies across the nation. Locally, the Louisville chapter of Kentucky Right to Life marked its 50th anniversary...

Year End Recap

Looking back on 2019 and the start of the new year, it's with joy that we celebrate what God has done in this ministry. We are so thankful for each of you that have locked arms with us to protect the lives of unborn children and be the hands and feet of Jesus to their mothers and families. Prayer and Praise

We are Praising and Thanking God for:

- Our faithful donors who enabled us to exceed our fundraising goal to replace our two ailing ultrasound machines! Two brand new machines will be delivered soon and the excess funds will provide for future service, parts and supplies.
- Our new Baby & Me class which has been well attended.
- Fruit from staff being at our Market St location in the early afternoon and being able to talk with post abortive women.
- Clients growing in the faith and making positive life choices.
- Community partners who provided funding for 2 homeless clients.
- Community partners who teach healthy cooking practices and techniques.
- Saved Babies!!

We ask Prayers for:

- Wisdom and guidance on whether to launch a mobile clinic, and if so, the funds and staffing to run it well, with excellence, care, and compassion.
- Staff who are dealing with difficult life situations.
- The intensity of anger on the sidewalk.
- Filling staffing needs!!
- Our client starting Youth Build this month.
- Our client working on e-school chemistry and algebra 2 to get her High School Diploma.
- Clients to stop smoking.
- Clients to seek God with their whole heart and find Him.
