BIKE RIDE

Hello TEAM LIFE!!

We are so excited to have you riding with us this year in our TEAM LIFE Bike Ride!

To help you Raise Support for your ride, our team has created you a [Give Butter page](#). If you haven't gotten your personal Give Butter page, please contact Camille Wheatley at camille.w@bsideu.org or call at (502) 589-9400 ext. 103.

We also created some easy ways to advertise your ride through e-mail or social media. You can use these prompts and send to your prospective supporters. Don't forget to give them your Give Butter page link.

You can also send them to the TEAM LIFE landing page: [Give Butter](#)

They can Click "Support a Friend" and search for your rider name, and donate directly on your page!
